Old Business –
No Old Business

New Business – Norland 6 Road Retention Project
Kerry Netzke presented information on the project. Area 2 can provide 75% of funding through bonding funds. The remaining 25% needs to come from local sources. The remaining funding for the project has been secured through Lyon County. Project will be completed before harvest and shouldn’t take more than 3 weeks, ending before September 29th. Since the estimated construction cost is expected to come in under $100,000.00, the engineer is recommending the board request quotes rather than going out for public bid. Area 2 has six contractors experienced with this type of work who can be contacted. Quotes should come in by July 27th and a special meeting could be held the same day. $116,397.30 is the total estimate for the project; cost share agreement portion for the bonding fund would be $87,297.98.

Boulton moved to authorize sending out requests for quotes. Gregoire seconded. Motion passed 5-0.

Boulton moved to hold a Special meeting on July 27, 2017 at 11:00 a.m. for the purpose of reviewing bids and selecting a contractor for the project. Kraus seconded. Motion passed 5-0.

Boulton moved to enter into cost share agreement for bonding funds. Dritz seconded. Motion passed 5-0.

New Business – Area 2 Dam Inspections
Netzke presented results for the Area 2 dam inspections completed on June 5, 2017. Some typical maintenance is needed, such as removal of debris around outlet structures, etc. One of the dams has had excessive debris around the outlet for the third year in a row, coming from logs along the shoreline that could be removed by adjacent landowner.

Dritz moved to release inspection reports to DNR with direction for staff to work with adjacent landowners to remove excess debris that is migrating to outlet structure every year. Kraus seconded. Motion passed 5-0.

New Business – Request for Permit: Connection to WD-18 (Fagen Farms)
Discussion was held in regards to tiling project and 4 connections to WD-18.

Kraus moved to approve the permit contingent upon receipt of past permit fee being paid. Dritz seconded. Motion passed 5-0.

Public Hearing – Lincoln County Ditch 39 Improvement Project (continued)
Buysse recessed the regular meeting at 10:00 a.m. to conduct the public hearing of Lincoln County Ditch 39 Improvement Project. He resumed the regular meeting at 10:05 a.m. (Details from that hearing are provided in separate meeting minutes.)
New Business – Lincoln County Ditch 39 – Final Order
Discussion was held on the findings and final order establishing drainage project, adopting and confirming the viewers’ report of improvement benefits and damages, adopting and confirming the viewers’ report of redetermined benefits and damages, authorizing application of separable maintenance and directing construction of the project in the matter of the petition of Nuese and others for the improvement of Lincoln County Ditch 39 and the matter of redetermination of benefits for Lincoln County Ditch 39.

Motion made by Kraus to approve the findings and order. Boulton seconded. Motion passed 5-0.

Other Business – Ditch 4 and 5 Grass Seeding
Discussion was held as to what type of grasses should be seeded along ditch 4 and ditch 5. Discussion was held in regards to selecting and purchasing a more expensive native seed mix that would provide better stability.

Motion was made by Kraus to approve the purchase of seed for ditch 4 and ditch 5 and to have The Watershed District pay for half of the cost of the seed on the project. Boulton seconded. Motion passed 5-0.

Other Business – Soil and Water Management Field Day
There is a Soil and Water Management Field Day being held on July 18, 2017 at the Southwest Research and Outreach Center in Lamberton.

Boulton moved to approved attendance by staff and managers to the field day. Kraus seconded. Motion passed 5-0.
