- Century Tel: Phone and Internet = $116.55
- Duane Bendixen: Ditch 39 Viewing = $881.65
- Jim Wambke: Rent = $500.00
- Lincoln, SWCD: Ditch 4 & 5 Seeding = $4,287.50
- Loo Con, Inc.: Ditch 38 Construction = $158,607.04
- One Office Solution: Copier Charges = $17.90
New Business – Request for Watershed Diversion Permit (Wergeland 22)
Javens presented a request for a tiling system that would pump water from DNR watershed 25113 into DNR watershed 25112. The applicant, Chuck Hoffman, and his contractor, Kurt Gillund, were present to discuss the project. Discussion was held to determine the impacts this permit would have on neighbors downstream. The proposed outlet has known flooding concerns when the Lac qui Parle River overflows into the Yellow Medicine watershed. The board discussed putting a stipulation on the system to limit its use to times when flooding in watershed 25112 was not problematic. The MN DNR releases weekly flow information that could be used as the threshold for when the pump would need to be turned off.

Boulton moved to approve the watershed diversion permit. Gregoire seconded. Dritz amended the motion to include the condition of shutting off the pump when Mud Creek is in its highest flow of 10% or water is backed up the Hoffman property. Seconded by Kraus. The amendment to the motion passed 4-0. Motion passed 4-0.

New Business – Request for Permit: Culvert (Chuck Hoffman)
Javens presented a request for a culvert crossing for a new field approach in Wergeland 30.

Kraus moved to approve the permit. Seconded by Boulton. Motion passed 4-0.

New Business – Wergeland 14 Complaint
Don Regnier was present to discuss the nuisance conditions that have been created by an adjacent landowner’s tile system in Wergeland 14 under permit #091115.

Gregoire moved to table the discussion until the September 11th meeting to allow the property owner a chance for rebuttal. Boulton seconded. Motion approved 5-0.

New Business – 2018 Proposed Budget Discussion
The board discussed three options to consider when setting the 2018 levy. Option 1: $232,500 (0% increase from 2017), option 2: $240,000 (3.2% increase), and option 3: set the max levy of $250,000.

Boulton moved to propose a levy of $240,000. Kraus seconded. Motion was approved 5-0.

New Business – Public Hearing for 2018 Budget and Property Tax Levy
The board discussed when to hold the public hearing for the Budget and Property Tax Levy.
Dritz moved to have the public hearing for 10:00am on September 11, 2017. Boulton seconded. Motion was approved 5-0.

New Business – Advisory Committee Meeting
The board discussed potential topics to be reviewed at the upcoming Advisory Committee meeting. Topics include: coordination of buffer enforcement duties, discussion on 2018 budget and levy, consideration of doing a pilot program with Ag Solver, and permit program updates.

New Business – Shared Services Contract- Yellow Medicine SWCD
A contract was presented to the board for approval of a shared services agreement with the Yellow Medicine Soil and Water Conservation District (SWCD) for the remainder of 2017.

Gregoire moved to authorize Javens to enter into the contract. Boulton seconded. Motion passed 5-0.

New Business – Conditional Permit Approvals by the Administrator
Permit requests has been piling up at the watershed office while applicants have been waiting on wetland determinations from other authorities. It was suggested that the watershed district could issue permits contingent on the applicant receiving appropriate wetland authorizations.

Boulton moved to allow the administrator to issue conditional permits while wetlands are still under review. Kraus seconded. Motion was approved 5-0.

New Business – Watershed Ditch 16 (WD-16) Inspection
The board discussed an inquiry of whether or not a pump could be added to WD-16 to drain a low area out to the Yellow Medicine River. Javens reported that she had verified that adding a pump would be considered an improvement which would also trigger a redetermination of benefits. The board discussed the potential of doing a more thorough inspection that would assess the integrity of the entire ditch system, along with evaluating the concern of the low area not having adequate drainage. Javens suggested she could contact other watershed districts to see what they have done in similar situations.

Bouton moved for this to be tabled until a future meeting. Kraus seconded. Motion was approved 5-0.

New Business – One Watershed One Plan Update
Kerry Netzke provided the board with an update on the last policy committee meeting.

New Business – Lyon County Buffer Enforcement Update
Gary Crowley provided the board with an update on the process Lyon County is going through for enforcement on buffers. The county Planning and Zoning will develop a strategy and then send to the Board of Soil and Water Resources.

Other Business – Future Events
August 17 6:30pm Governor’s 25 by 25 Town Hall Summit in Marshall
August 22 1-4pm  Field Day-Velde Irrigation System in Hanley Falls
August 23 10am-3pm  MN Association of Ditch Inspectors/Ditch Viewers in Alexandria
August 24 6:00pm  Advisory Committee Meeting in Taunton
September 11 9:00am  Regular Meeting-YMRWD in Minneota

Boulton moved to approved attendance by staff and managers to attend the field day. Kraus seconded. Motion passed 5-0.

Public Comment, Reports, and Adjournment

Javens provided a verbal update of the past month’s activities.
Dritz gave a brief summary of the Soil & Water field day he attended in Lamberton.

At 11:28 a.m. Boulton moved to adjourn the meeting. Gregoire seconded. Motion carried 5-0 and the meeting was adjourned.

Respectfully Submitted,

John Boulton  9/11/2017
Secretary John Boulton  Date

Minutes prepared by B Buysse and E Javens
